Guarantee and accuracy

INERCO Inspección y Control develops activities in areas of environmental quality (emission, immission, noise, waste and soil), mayor accident prevention (SEVESO) and industrial firefighting facilities inspections.

Our guarantee is backed up by the accreditation by UNE-EN-ISO/IEC 17020 and UNE-EN-ISO/IEC 17025.

INERCO Inspección y Control has been recognized in various regions of Spain as Authorized Inspection Agency (AIA).
