

INERCO

Ingeniería

Services

- Turnkey or EPC's projects
- Conceptual Engineering
- Basic Engineering
- Purchasing Management. Procurements
- FEED or FEL Engineering. Investment Valuation and Feasibility Studies
- Energy Efficiency Studies
- Integration Engineering
- Project Management
- Collaboration in R & D + i. Pilot and industrial demonstration plants
- Industrial Permitting of Projects
- Specialized engineering
 - Process Engineering
 - Electrical Engineering
 - Instrumentation Engineering
 - Mechanical Engineering
 - Piping Engineering
 - Safety Engineering
 - Supervision of Works

Sector of Activities

- Crude oil Refinery
- Petrochemical Plants
- Chemical Plants
- Tank Farm
- Coal Power Plants
- Combined Cycle
- Diesel Engine Power Plants
- Cement
- Pilot and industrial demonstration plants
- Biomass Gasification
- Bio-Ethanol Plants
- Bio-Diesel Plants
- New Fuels
- Renewable H2's Production
- Wind Farms
