

The background of the slide is a collage of three images, each framed by a white, wavy border. The left image shows an offshore oil rig with yellow structures against a sunset sky. The middle image shows a row of white wind turbines in a field. The right image shows an industrial refinery or chemical plant with large storage tanks and illuminated structures at night.

Energy and environmental Technologies Engineering Consultancy HSSEC

Our vision

“To be a world reference company in environmental and energy sustainability, as well as in occupational risk prevention, safety and security, offering integral solutions in consulting, technology and specialized engineering”

Comprehensive solutions

Comprehensive solutions

Environmental assessment
Permitting
Climate change
Environmental management
and sustainability

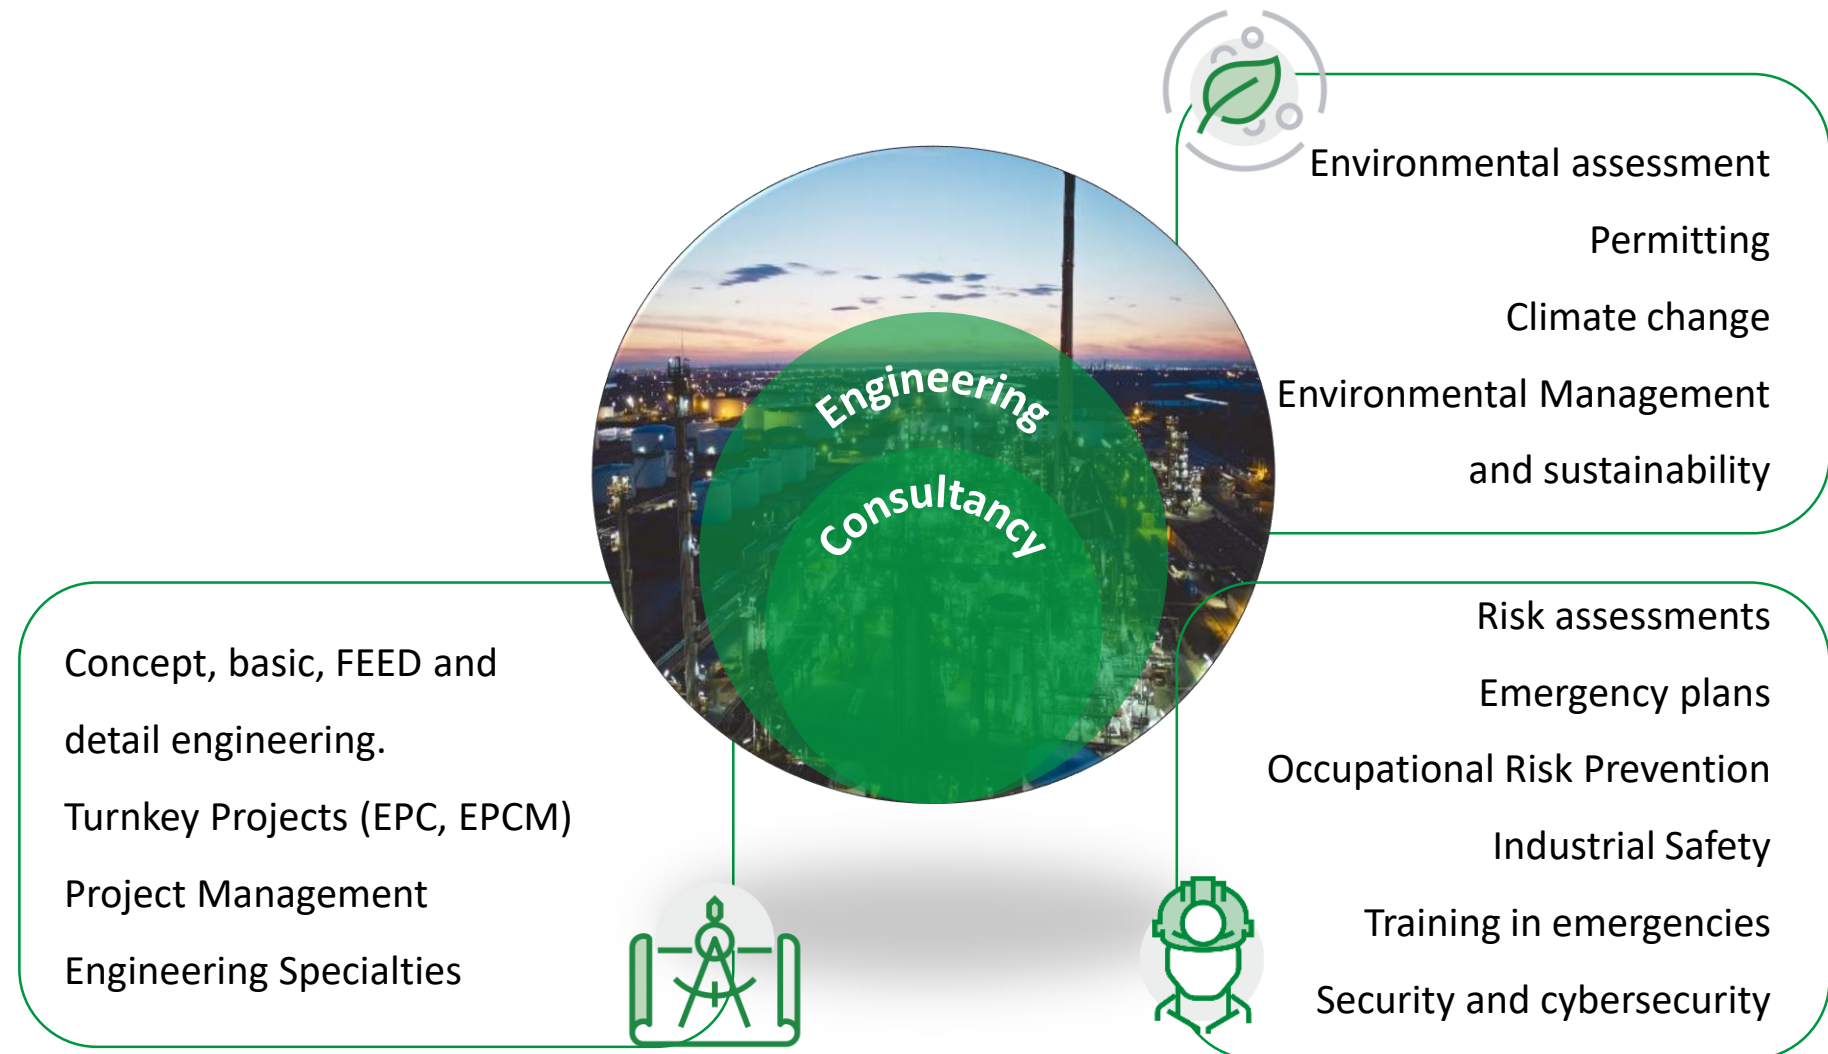

Risk assessments
Emergency plans
Occupational Risk Prevention
Industrial Safety
Training in emergencies
Security and cybersecurity

Why INERCO?

Su experto técnico y aliado estratégico

Proven strategic ally and technical expert

Solución integral: Tecnología, Ingeniería y Consultoría

Comprehensive solution: Technology, Engineering and Consultancy

Equipo de profesionales altamente cualificado

Highly qualified team of professionals

Empresa global con presencia local

Global company with local presence

Know - how propio aplicado con éxito en más de 100.000 referencias

Own know - how applied successfully in more than 100,000 references

Apuesta constante por la innovación y el desarrollo de conocimiento aplicado

Constant commitment to innovation and the development of applied knowledge

Awards and recognitions

- **Fundación Babcock Wilcox** | Innovación tecnológica (2002)
- **ESIC** | Premio a la Trayectoria Empresarial (2005)
- **Universidad de Sevilla** | Premio Innovar con la Universidad (2006)
- **IBERDROLA** | Premio al Suministrador del año : I+D+i y Prevención de Riesgos Laborales (2007)
- **Junta de Andalucía** | Premio Excelencia Empresarial (2009)
- **ESI de la U. Politécnica de Madrid** | Premio al antiguo Alumno Emprendedor (2010)
- **Real Academia de Ingeniería** | Premio Academiae Dilecta (2011)
- **PCT Isla de la Cartuja** | Trayectoria Internacional (2012)
- **Universidad de Sevilla** | Primer Spin Off (2013)
- **Universidad de Sevilla** | Premio al Compromiso Empresarial con los Alumnos en Prácticas de la US (2014)
- **Ayuntamiento de Sevilla** | Premio Ciudad de Sevilla al Desarrollo Sostenible (2014)
- **Grupo ENERSIS (ENDESA Chile)** | Premio Proveedor de Excelencia (2015)
- **Plataforma Tecnológica Española de Seguridad Industrial** Premio Empresa Innovadora en Seguridad (2018)
